

EXPLORE YOUR STEM FUTURE WITH THE NYSF YEAR 12 PROGRAM

Are you a year 11 student interested in science and technology? Join us at the NYSF Year 12 Program in January to explore your STEM future with like-minded people your age from all over Australia!

NYSF.EDU.AU

@NYSFoz   

MAKE NEW FRIENDS & EXPLORE STEM CAREERS

A leading STEM experience for young people, the NYSF Year 12 Program is for students entering year 12 who are looking to find their place, people and passions.

MEET HUNDREDS OF FELLOW STEM ENTHUSIASTS

EXPERIENCE POST-SCHOOL LIVING ON A UNI CAMPUS

NETWORK WITH STEM PROFESSIONALS AT ALL CAREER LEVELS

EXPLORE A WIDE RANGE OF REAL-WORLD STEM FACILITIES & PATHWAYS

Join us for a packed schedule of STEM activities, skills workshops, visits to universities, TAFE and industry, and a look into your STEM future at our NYSF careers days.

Applications open Term 1 in year 11 for the following year's January.

Visit nysf.edu.au and follow @NYSFoz for information on applications, including timings, costs and financial help.
