2027 NSYF YEAR 12 PROGRAM

What if one week could change how you see your future?

At the NYSF Year 12 Program, students from across Australia come together to explore what's possible - in science, technology, engineering and maths... and in themselves.

2027 LOCATIONS AND DATES

In 2027 there will be two NYSF Year 12 Program sessions, each running for 9 days:

- 1** The Australian National University, Canberra (6–14 January)
- 2** The University of Queensland, Brisbane (13–21 January)

WHO CAN APPLY?

ELIGIBILITY

- Year 11 in 2026 and an Australian citizen or resident, and/or studying full-time in an Australian school.
- Students with an interest in science, technology, engineering or maths.

If you're curious about STEM and keen to explore your future, you're exactly who this program is for 🤖

PROGRAM FEATURES

- **Stay on campus** at university colleges
- Participate in **tours** of science and technology facilities
- Learn about cutting-edge **research**
- **Engage** with industry partners and research providers
- Learn about **university, training** and **STEM career pathways**
- Mix with other **like-minded students** from all over Australia
- Participate in **social** and **team-building** activities

Delivered **by youth for youth**, alumni of the Program return each year to help deliver each session through the NYSF Student Staff Leadership Program.

NEED FINANCIAL SUPPORT?

Rotary support makes diverse **attendance possible**.

During the application process, the NYSF encourages students experiencing financial hardship or additional barriers to apply for:

- **NYSF Access and Equity Scholarships**
- **Financial support** from their local **Rotary Club**

Rotary sponsorship ensures cost is not a barrier.

Further details on cost and applying for sponsorship are provided to applicants at registration.

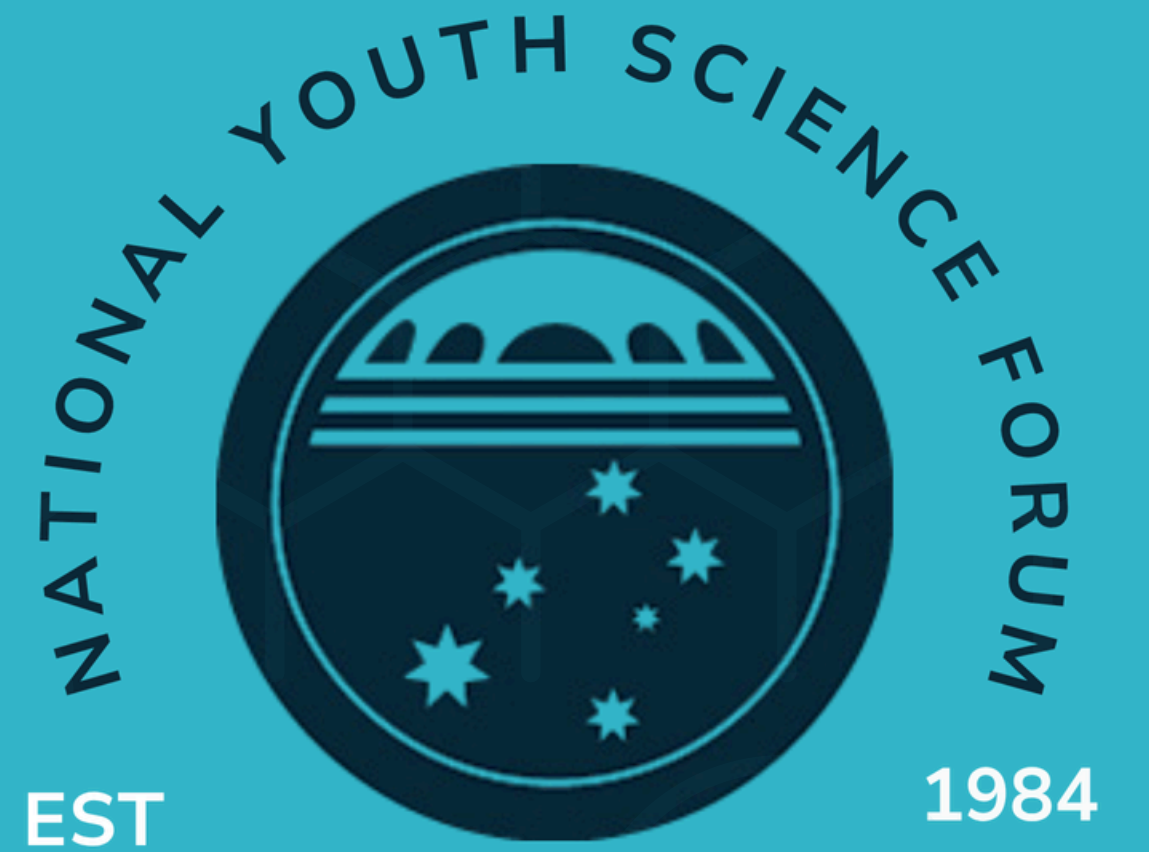

THE APPLICATION PROCESS

- 1** Start an application at nysf.edu.au
- 2** Complete the application, including:
 - a. Answering all questions
 - b. Uploading your most recent school report
 - c. Applying for a scholarship
- 3** Pay the \$70 application fee and submit your application
- 4** Your application will be reviewed by a Selection Panel.
- 5** Offers will be sent in August 2026
- 6** Full payment of program fees will be due by 15 October 2026
